The Nebraska Director of Insurance ("Director") issued an Order Approving Acquisition in the above captioned matter on December 15, 2008. In said Order Approving Acquisition, there is an error in the description of the consideration for the purchase of the title insurers on page 4, Paragraph (C) (1). The sentence reads, "The total amount of consideration for the purchase of the Title Insurers is approximately \$256,000,000." The sentence should read, "The total amount of consideration for the purchase of the Title Insurers is approximately \$56,000,000, plus \$44,000,000 estimated market value of auction rate securities."

The remainder of the Order Approving Acquisition is unchanged.
